**Dear Mr. Flowe,**

In reply to you letter dated September 9, 1999, please note the following:

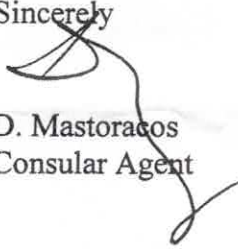

With the limited information you have provided the Consulate with, it seems unlikely that you will be allowed to return to Greece because you are not considered a Greek citizen any more.

In similar cases like yours, minors born in Greece to Greek parents that are adopted by foreign citizens, loose their Greek citizenship because they get the citizenship of the adopting parents and, for that reason, they are taken off the municipal records.

In the event that you want us to further investigate your case, it is absolutely necessary to provide us with a copy of the adoption documents or, in case you do not have them, your full name before the adoption, when and where in Greece you were born.

For any additional information, please do not hesitate to contact the Consulate.

Sincerely

  
D. Mastoracos
