| Beginning Tennis | 1PE | | | |

**Total minimum semester hours required for graduation is 120 and a minimum of 42 upper-division credits
Student must communicate with advisor prior to registration of courses.**

Technology Proficiency: All B.A. candidates must demonstrate baseline technological proficiency prior to graduation. The requirement may be met by scoring 70% or higher on the ASC Technology Proficiency Examination, transferring an equivalent course for BUS 120- Business Computer Applications I or CSCI 100- Essentials of Information Technology, or completing either of these courses with a grade of C or better: Waived; incarcerated student

Writing Assessment: You must submit a portfolio of your writing to the Associate Provost for Academic Affairs by mid semester of the semester prior to graduation. Check with the Associate Provost for Academic Affairs office for requirements.

COMMENTS:

Degree plan updated to reflect Spring 2012 enrollment. Evaluation based on official transcripts from Baylor University and Wharton County Junior College.

I have reviewed this plan with my advisor. I understand that I am responsible for (a) completing all remaining degree requirements prior to the end of my graduating semester (including independent study and non-ASC classes), (b) updating my advisor on a regular basis as to my progress in completing all remaining degree requirements, (c) notifying my advisor of final grades for each remaining class as they become available, (d) seeking the advise of my advisor in the event I have any questions about degree requirements, (e) for securing prior approval of my advisor for any change in my degree plan, and (f) ensure an official community/junior college or four year college final transcript is sent to the Extended Studies Office once all remaining course requirements have been completed. I further understand, if I have more than three (3) outstanding /uncompleted credits (to include independent study and/or non-ASC credits), I will not be allowed to participate in the scheduled graduation exercises and will have to reapply for graduation for the following term.
